

In accordance with Article R. 22-10-14 (IV.) of the French Commercial Code, it is reminded that this compensation policy (cf. 2021 Universal Registration Document, pages 200 to 208) has been approved by the Combined General Meeting of May 11, 2022, up to:

- **85,648% (8th resolution) concerning the Chairman and Chief Executive Officer; and**
- **99,903% (9th resolution) concerning the members of the Board of Directors (excluding the Chairman and Chief Executive Officer).**

Corporate officers' compensation policy (ex ante vote)

Decision-making process

The corporate officers' compensation policy is determined by the Board of Directors based on the recommendation of the Compensation, Appointments and CSR Committee. The Board considers the compensation policy as a whole and takes into account each of its components, which are as follows:

- **for members of the Board of Directors:** an annual compensation, comprising a fixed and a variable portion based on attendance (previously referred to as "directors' fees");
- **for the Chairman and Chief Executive Officer:** an annual fixed compensation, an annual variable compensation, a long-term compensation, as well as other commitments and benefits.

The decision-making process of the Compensation, Appointments and CSR Committee is based on several discussions held throughout the year and preparatory work conducted under the supervision of the committee's Chairman. This work conducted throughout the year includes:

- reviewing corporate officers' compensation data from comparable companies;
- monitoring changes in legal and regulatory provisions, corporate governance best practices, guidelines and codes;
- the votes cast by shareholders and, as the case may be, any opinions expressed during the General Meeting having approved this policy; and

- regarding the Chairman and Chief Executive Officer, analyzing his performance and that of the Company, ensuring that his objectives are in line with Group strategy and shareholders' interests. This work is used as a basis to assess the prior year's performance and set targets and compensation for the following year.

The Compensation, Appointments and CSR Committee regularly engages external consultants, particularly the firm Mercer, to perform benchmark studies of the Chairman and Chief Executive Officer's compensation. These analyses are based on a peer group of other companies from a variety of sectors included in the CAC Next 20 index, with the exception of two companies⁽¹⁾.

The compensation policy submitted to the General Meeting of May 11, 2022, was set by the Board of Directors at its meeting on February 21, 2022, based on the recommendations of the Compensation, Appointments and CSR Committee. In accordance with Article L.22-10-8 (II.) of the French Commercial Code, it will be submitted to shareholders for approval at the upcoming General Meeting, in the 8th and 9th resolutions.

The main changes in the compensation policy submitted to the General Meeting of May 11, 2022, compared with that approved by the General Meeting of May 11, 2021, are as follows:

- provision that if the roles of Chairman of the Board of Directors and Chief Executive Officer are separated, the compensation policy for the Chairman and Chief Executive Officer will apply *mutatis mutandis* to the Chief Executive Officer and, where applicable, to the Deputy Chief Executive Officer(s);

(1) The companies selected in the CAC Next 20 index for the peer group are: Accor, Arkema, Bureau Veritas, Eiffage, Eurofins Scientific SE, Faurecia, Gecina, Getlink SE, Klépierre, Orpea, Sartorius Stedim Biotech, Scor SE, Sodexo, Solvay SA, Suez, Ubisoft Entertainment and Valeo. Two companies in the CAC Next 20 index were excluded from the peer group: bioMérieux SA (a majority of the share capital is held by the founding family and the Chairman and Chief Executive Officer, whose compensation does not include a multi-annual variable component) and Électricité de France (the majority of the share capital is held by the French State and the Chairman and Chief Executive Officer is consequently only entitled to fixed compensation).

- increase of the Chairman and Chief Executive Officer's fixed compensation;
- stricter requirement relating to long-term compensation in the event of a forced departure; and
- tightening of the Chairman and Chief Executive Officer's termination benefits.

Finally, in accordance with the applicable laws and regulations, the Board of Directors and the Compensation, Appointments and CSR Committee pay close attention to preventing and managing any conflicts of interest that may arise during the decision-making process, pursuant to the policy on the prevention of conflicts of interest set out in the Internal Regulations of the Board of Directors.

Philosophy

The corporate officers' compensation policy is determined based on an assessment of the level and difficulty of their role, their experience, and observed practices in the aforementioned peer group of French companies from a variety of sectors.

All of the components of the corporate officers' compensation comply with the legal and regulatory provisions in force, as well as the AFEP-MEDEF Code under the conditions provided by law.

The corporate officers' compensation policy:

- **is in line with the Company's interest:** as it is being utilized to achieve the objectives of the Next Frontier strategic plan. In general, the main performance conditions used are aligned with the Group's performance indicators;
- **contributes to the Company's long-term sustainability:** because the long-term compensation represented by the performance share plan provides a long-term incentive for executive corporate officers thereby enhancing their loyalty and incentives to achieve sustainable performance;
- **is part of the Company's growth strategy:** the Next Frontier strategic plan is designed to unlock the potential of a digital platform model, leading to sustainable and profitable growth. However, annual variable compensation includes quantifiable financial objectives aligned with the annual objectives defined as part of this strategic plan. Lastly, the use of CSR criteria for compensation directly contributes to the Company's sustainability strategy.

More specifically as regards to the Chairman and Chief Executive Officer, the Board of Directors has set diverse and challenging performance criteria, which are used to have a clear understanding of his performance, in line with the Group's strategy and shareholders' interests. The rules for determining compensation take into account the need to attract, retain and motivate high-performing executive corporate officers while aligning their interests with those of the Company and of shareholders. Performance assessment is based on a balance between financial and non-financial criteria, a fair distribution of quantifiable business objectives between the Group's two main business lines, *i.e.*,

Employee Benefits and Fleet & Mobility Solutions, as well as a balance between short-term and long-term performance. Nearly 80% of the Chairman and Chief Executive Officer's total compensation is subject to the satisfaction of criteria related to the Group's short- and long-term performance, including 54% related to long-term performance.

Directors' compensation

Compensation structure

On the recommendation of the Compensation, Appointments and CSR Committee, the Board of Directors allocates the annual fixed amount awarded by the General Meeting based in particular on each director's attendance rate at Board of Directors' meetings and at meetings of any committee of which he or she is a member. The General Meeting of May 11, 2021 set this annual fixed amount at €800,000, which still applies (the annual fixed amount being revised periodically, taking into account market practices).

The allocation of this amount is as follows:

- the duties of Board members are compensated with a fixed portion of a flat amount and with a variable portion based on the number of Board meetings attended in a given financial year; the amount of the variable portion is higher than the amount of the fixed portion;
- the duties of Vice-Chairman of the Board of Directors are compensated with an additional fixed portion of a flat amount;
- the duties of members of a Board Committee are compensated with a variable portion based on the number of Committee meetings attended during a given financial year, with Audit and Risks Committee members entitled to a larger variable portion than members of the other committees;
- the duties of committee Chairman are compensated with a fixed portion of a flat amount defined for each of the committees, with the Chairman of the Audit and Risks Committee entitled to a larger fixed portion than that awarded to the other committee Chairmen;
- directors who also hold the position of Chairman and Chief Executive Officer, Chief Executive Officer or Deputy Chief Executive Officer of the Company are not entitled to any compensation for their duties as members of the Board of Directors.

These principles comply with the recommendations of the AFEP-MEDEF Code, which are as follows:

- a variable portion (representing the largest part of each director's compensation) that takes into account directors' attendance at Board meetings;
- an additional amount allocated for chairing or attending Board Committees; and
- an amount that reflects the level of responsibility assumed and time spent in the role of director.

Subject to any changes in the membership of the Board of Directors during the financial year, the amounts would be set as follows:

Board of Directors	Chairman	Fixed portion	None
	Each member	Fixed portion	€15,000 per year
		Variable portion	€4,200 per Board meeting attended
Vice-Chairman	Additional fixed portion	€15,000 per year	
Audit and Risks Committee	Chairman	Fixed portion	€17,000 per year
	Each member	Variable portion	€6,500 per Committee meeting attended
Commitments Committee	Chairman	Fixed portion	€15,000 per year
	Each member	Variable portion	€5,500 per Committee meeting attended
Compensation, Appointments and CSR Committee	Chairman	Fixed portion	€15,000 per year
	Each member	Variable portion	€5,500 per Committee meeting attended

Renewal of a director's term of office and appointment of a new director

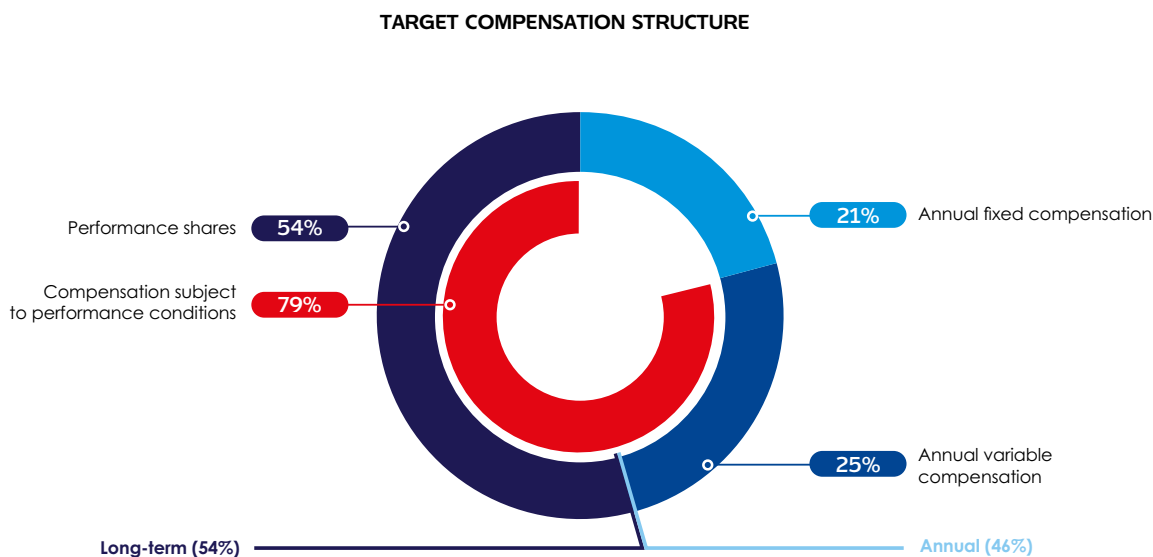

The compensation and allocation principles described above will also apply to any director whose term of office is renewed or to any new director appointed (including through cooptation) during the application period of this compensation policy (on a prorated basis if appropriate).

Chairman and Chief Executive Officer's compensation

The Chairman and Chief Executive Officer will not receive any compensation for his duties as director and Chairman of the Board of Directors.

In addition, the Chairman and Chief Executive Officer may not have an employment contract while holding executive office.

His compensation is broken down below:

MAXIMUM COMPENSATION STRUCTURE

Annual fixed compensation

The Chairman and Chief Executive Officer's annual fixed compensation is paid in 12 monthly installments and is based on:

- the complexity of his duties and difficulty of the responsibility assumed;
- his professional experience and expertise;
- benchmark studies of comparable functions (external competitiveness).

Following the Board of Directors' decision of December 20, 2017, the gross annual fixed compensation of the Chairman and Chief Executive Officer amounts to €825,000.

On the proposal of the Compensation, Appointments and CSR Committee, on February 21, 2022, the Board of Directors decided to increase the gross annual fixed compensation of the Chairman and Chief Executive Officer to €980,000 (an increase of 18%), as from January 1, 2022, subject to approval by the General Meeting of May 11, 2022. The Board of Directors considered that such an increase was justified based on the following factors:

- the absence of any increase in the annual fixed compensation of the Chairman and Chief Executive Officer since the Board of Directors' decision of December 20, 2017;
- a positioning in relation to the market (before an increase) that is below the compensation resulting from the aforementioned peer group of companies from the CAC Next 20 index ⁽¹⁾ from a variety of sectors according to the benchmark study of the Chairman and Chief Executive Officer's compensation conducted by Mercer. This study shows that the current compensation of the

Chairman and Chief Executive Officer is not consistent with the market capitalization, size, performance and challenges of the Group, as well as the experience and individual performance of Mr. Bertrand Dumazy. According to this study, Mr. Bertrand Dumazy's compensation (fixed compensation and target annual variable compensation) corresponded to 83% of the mean compensation of executives of companies in the third quartile of the peer group (companies compared to Edenred in terms of market capitalization);

- the Group's performance and size over Mr. Bertrand Dumazy's most recent term of office (2018-2021), i.e.:
 - like-for-like EBITDA growth of 49% from 2017 to 2021,
 - free cash flow up from €399 millions in 2017 to €676 millions ⁽²⁾ in 2021, i.e., a rise of 69%,
 - workforce up from 7,782 to 9,161 (+18%),
 - a share price increasing from €24.18 to €40.57, i.e., growth of 68%, 33 percentage points higher than the CAC 40 (+35%) for the same period;
- the Group's repositioning as a fintech company, leading to its businesses becoming more complex, notably following the profound technological transformation of all Employee Benefits and Fleet & Mobility solutions. More generally, note was taken of the arrival of new, fully digital and heavily funded competitors, as well as a sharp increase in mergers and acquisitions; and
- particularly effective management of the global health crisis caused by Covid-19, thereby widening the performance gap with competitors worldwide.

(2) Excluding payment in first-quarter 2021 of the €157 million fine issued by France's antitrust authority.

Furthermore, the Board of Directors underlines that the Chairman and Chief Executive Officer's annual fixed compensation is revised at fairly long intervals or at the end of each four-year term. However, it may be revised earlier in the event of a significant change in the scope of his responsibilities, significant inflation, or a wide gap as to his positioning on the market. In these specific circumstances, the revised annual fixed compensation and the reasons for its revision will be disclosed and submitted to a vote at the General Meeting.

Annual variable compensation

Structure of annual variable compensation

The structure of annual variable compensation is the same as that approved by the Combined General Meeting on May 11, 2021.

The Chairman and Chief Executive Officer will receive a target annual variable compensation of €1,176,000 (i.e., 120% of the annual fixed compensation) if the targets set are achieved ("target variable").

If the quantifiable objectives are exceeded, the Board of Directors may increase the annual variable compensation to €1,794,000 (i.e., 180% of the annual fixed compensation).

The charts and table below summarize the structure of annual variable compensation:

TARGET (EXPRESSED AS A % OF THE TOTAL)

MAXIMUM (EXPRESSED AS A % OF THE TOTAL)

PERFORMANCE INDICATOR		RELATIVE WEIGHT OF EACH INDICATOR BASED ON TARGET VARIABLE	MAXIMUM WEIGHT OF EACH INDICATOR IF OUTPERFORMANCE

	Earnings per share (EPS) (at constant exchange rates)	€147,000 (15% of the annual fixed compensation)	€245,000 (25% of the annual fixed compensation)
	SUB-TOTAL	€637,000 (65% of the annual fixed compensation)	€1,029,000 (105% of the annual fixed compensation)
	Quantifiable business objectives linked to the Group's strategy		
Overall growth efficiency (e.g. transformation rate)	€98,000 (10% of the annual fixed compensation)	€196,000 (20% of the annual fixed compensation)

SUB-TOTAL	€294,000 (30% of the annual fixed compensation)	€490,000 (50% of the annual fixed compensation)	
Qualitative CSR ⁽¹⁾ and management ⁽²⁾ objectives		€245,000 (25% of the annual fixed compensation)	
OVERALL RATE OF ACHIEVEMENT OF THE OBJECTIVES		€1,176,000 (120% OF THE ANNUAL FIXED COMPENSATION)	€1,764,000 (180% OF THE ANNUAL FIXED COMPENSATION)

(1) Implementation of the three focus areas of the Group's sustainable development policy: People (improve quality of life), Planet (preserve the environment) and Progress (create value responsibly). It consists of ten long-term commitments that are regularly re-assessed. These commitments are supported by targets to be met in 2022 and 2030. The Board of Directors monitors the improvements in these indicators delivered by the Chairman and Chief Executive Officer and all of the Group's teams. The ten commitments cover the following:

- 1) the percentage of women in executive positions (People);
- 2) the training of Group employees (People);
- 3) the number of days devoted to volunteering by Group employees (People);
- 4) the reduction in carbon footprint (Planet);
- 5) the number of eco-services for sustainable mobility and to fight food waste (Planet);
- 6) the deployment of eco-responsible services (Planet);
- 7) the percentage of Group employees who have approved the charter (Progress);
- 8) Group subsidiaries compliant with personal data protection standards (Progress);
- 9) the percentage of employees covered by quality certification (Progress); and
- 10) awareness among users and merchants of sustainable nutrition (People).

(2) Assessment of the Chairman and Chief Executive Officer's management skills.

All the criteria have measurable objectives approved by the Board of Directors.

The objectives and their targets are set in a clear and measurable way at the beginning of the performance period. These targets, although challenging, can be reached. The Board of Directors carries out a detailed evaluation of the performance of the Chairman and Chief Executive Officer on the basis of the targets of these objectives, in accordance with legal and regulatory provisions in force. However, the Company does not wish to disclose them for obvious confidentiality reasons.

The Group operates in a highly competitive technological environment in all its main markets in Europe, Latin America and the United States, as well as in all its business lines, where all its competitors, without exception:

- are new entrants with major financing and without transparency or short-term profitability constraints; or

- are not publicly listed and therefore not subject to transparency and market disclosure requirements; or

- when listed, are not subject to transparency requirements imposed by the Company's location in France or provide very limited disclosure on their activity, despite the fact that the markets in which these companies compete with the Group account for a significant portion of their profitability.

Modalities in case of taking up office

If a new Chairman and Chief Executive Officer were to be appointed, the same principles would apply, with the amount prorated to the period served. However, if the new appointment was made in the second half of the financial year, performance would be assessed by the Board of Directors based on the recommendation of the Compensation, Appointments and CSR Committee.

Modalities in case of loss of office

If the Chairman and Chief Executive Officer were to stand down during the financial year, the amount of the variable portion of compensation for that financial year would be based on:

- his performance as assessed by the Board of Directors, based on the recommendation of the Compensation, Appointments and CSR Committee; and
- the period served during the financial year concerned.

Long-term compensation

The Chairman and Chief Executive Officer is entitled to long-term compensation in the form of performance shares, the main terms of which are described below.

Long-term compensation structure

This mechanism, to which all key executives of the Group are also entitled, is particularly appropriate for the Chairman and Chief Executive Officer given the direct contribution he is expected to make to the Company's overall long-term performance. In line with market practices and the Company's strategy, this mechanism is based on the award of performance shares, which not only help to incentivize and retain the beneficiaries but also to align their interests with the interest of the Company and that of the shareholders.

The performance shares allocated free of charge vest only if the Chairman and Chief Executive Officer is still in office at the end of the three-year vesting period and the following three performance conditions are met over that period. These performance conditions have been selected from among the Group's most representative performance indicators and are closely linked to the creation of shareholder value, namely:

- like-for-like EBITDA growth in line with the guidance announced;
- Edenred's total shareholder return (TSR) compared with the average TSR for companies included in the SBF 120 index; and
- the achievement of a CSR criterion including diversity within the Group's management bodies, Greenhouse gas emissions reduction and awareness of healthy eating and food waste – enabling the Group to offer long-term development opportunities that are satisfactory to all stakeholders.

Ceiling

The award-date value of the performance share awards may not exceed 120% of the annual fixed and target variable compensation of the Chairman and Chief Executive Officer at the award date.

Grant periods

In accordance with the AFEP-MEDEF Code, performance share plans are always established at the same calendar period, *i.e.*, after the publication of the annual results.

Risk coverage

In accordance with the AFEP-MEDEF Code, the executive corporate officer(s) agree not to hedge the related equity risk until the end of the lock-up period set by the Board of Directors.

Modalities in case of loss of office

If the Chairman and Chief Executive Officer is forced to stand down during the vesting period, for any reason whatsoever and as this concept is assessed in the context of termination benefits, he will retain the right to one-third of the shares awarded for each year of presence during the three-year vesting period. The performance conditions set at the award date must be met in all cases in order for the performance shares to vest.

The Chairman and Chief Executive Officer will forfeit the right to the performance shares initially granted if he resigns during the vesting period, unless the Board of Directors decides otherwise. The performance conditions set at the award date must still be met in order for the performance shares to vest.

Exceptional compensation

The Board of Directors adopts the principle according to which the Chairman and Chief Executive Officer could receive an exceptional compensation in certain circumstances, which shall be disclosed in detail and substantiated, it being reminded that payment of an exceptional compensation is subject to approval by the shareholders in accordance with Articles L.22-10-8 and L.22-10-34 (II.) of the French Commercial Code. The exceptional compensation may be paid in cash and/or in performance shares allocated free of charge; it may not exceed the equivalent of 100% of the Chairman and Chief Executive Officer's annual fixed and maximum variable compensation.

Multi-annual variable compensation

The Board of Directors has decided not to provide for cash-based long-term compensation, preferring to focus on share-based incentives to align the interests of the Chairman and Chief Executive Officer with those of the shareholders and the Company.

However, such a mechanism could be envisaged should regulatory developments or other circumstances make the use of share-based incentives ineffective, restrictive or impossible.

Other commitments and benefits

The other commitments and benefits to which the Chairman and Chief Executive Officer may be entitled are presented below.

Death/disability and health insurance

The Chairman and Chief Executive Officer will be covered by the death/disability and health insurance plan set up for employees, which has been extended to include the Chairman and Chief Executive Director.

Company car

The Chairman and Chief Executive Officer will be entitled to a Company car.

Supplementary pension benefits

The Chairman and Chief Executive Officer participates in two defined-contribution pension plans corresponding to Article 82 and Article 83 of France's General Tax Code (*Code général des impôts*).

In accordance with the AFEF-MEDEF Code, the maximum percentage of the reference income which the supplementary pension plan would confer must not be greater than 45% of the reference income (annual fixed and variable compensation due in respect of the reference period).

Article 82

In addition to an "Article 83" defined-benefit pension plan, as defined in France's General Tax Code, certain senior executives of the Company, including the Chairman and Chief Executive Officer, participate in an "Article 82" funded defined-contribution plan (under this plan, retirement savings are invested in an individually managed insurance policy), set up to replace the "Article 39" defined-benefit plan that was closed on December 31, 2019 in accordance with regulatory developments including the government order dated July 3, 2019 on defined-benefit plans.

In addition, the annual contribution rate is determined as a percentage of the gross annual compensation of the Chairman and Chief Executive Officer (fixed and variable annual remuneration), with progressive rates applied on multiples of the Annual Social Security Ceiling (PASS):

COMPENSATION BRACKET	CONTRIBUTION RATE
[Between 4 and 8x the Annual Social Security Ceiling (PASS)]	11%
[Between 8 and 12x the Annual Social Security Ceiling (PASS)]	16.5%
[Between 12 and 24x the Annual Social Security Ceiling (PASS)]	22%
[Between 24 and 60x the Annual Social Security Ceiling (PASS)]	27.5%

Based on his 2021 fixed and target variable compensation, by way of illustration, an average rate of 21.02% would apply.

Unlike in the case of the defined-benefit plan, under the defined-contribution plan, tax is due immediately on the amounts invested in the plan directly by the beneficiary.

As was the case for the defined-benefit plan, annual payments to the Chairman and Chief Executive Officer in respect of the defined-contribution plan will be subject to the same performance condition which was applicable to the previous defined-benefit plan, *i.e.*, the achievement of at least 60% of his annual variable compensation targets.

Article 83

For the "Article 83" defined-contribution pension plan, the contribution rate is determined as a percentage of the gross annual compensation of the Chairman and Chief Executive Officer (fixed and variable annual compensation), with progressive rates applied on multiples of the Annual Social Security Ceiling (PASS):

COMPENSATION BRACKET	CONTRIBUTION RATE
[Up to 5x the Annual Social Security Ceiling (PASS)]	5%
[Between 5 and 6x the Annual Social Security Ceiling (PASS)]	7%
[Between 6 and 7x the Annual Social Security Ceiling (PASS)]	13%
[Between 7 and 8x the Annual Social Security Ceiling (PASS)]	19%

The maximum contribution for this plan, based on the brackets above, is the equivalent of 8% of eight times the Annual Social Security Ceiling (PASS), which comes to €26,327 for 2021. Given that the Annual Social Security Ceiling (PASS) remains unchanged from 2021, the amounts are the same for 2022.

Just like with the "Article 82" defined-contribution pension plan, tax must be paid immediately on the amounts invested in the "Article 83" plan, directly by the beneficiary.

Non-compete commitments

No non-compete commitments have been entered into with the Chairman and Chief Executive Officer.

Compensation for loss of office

The Chairman and Chief Executive Officer will be entitled to compensation for loss of office, the terms and conditions of which will be adapted to his personal profile and will take into account the Company's economic and social environment.

The Chairman and Chief Executive Officer will be entitled to compensation for loss of office as Chairman and Chief Executive Officer should he be forced to stand down for whatever reason, except in the event of voluntary non-renewal. Said compensation may not exceed the equivalent of two years' annual fixed and variable compensation, as defined below, and payment will be contingent on the achievement of challenging performance conditions. No compensation for loss of office will be payable if, within 12 months of his departure, the Chairman and Chief Executive Officer becomes eligible for the basic State pension and, consequently, for pension benefits under the Company's supplementary pension plan.

The compensation payable will not exceed the equivalent of two years' total gross annual compensation as Chairman and Chief Executive Officer, defined as:

- the fixed portion of the compensation on an annual basis as Chairman and Chief Executive Officer on the date of loss of office; and
- the average of the variable portion of annual compensation as Chairman and Chief Executive Officer paid during the last two financial years during which he served as Chairman and Chief Executive Officer, closed prior to the date of loss of office.

These performance conditions correspond to the achievement levels of the performance criteria set at the beginning of each year by the Board of Directors for the calculation of the annual variable compensation of the Chairman and Chief Executive Officer. If, in application of the criteria, the average amount obtained by the Chairman and Chief Executive Officer is greater than or equal to 75% of the target amount of the annual variable compensation for the three financial years preceding the departure (hereinafter the "Selected Financial Years"), 100% of the amount of the compensation will be payable to the Chairman and Chief Executive Officer. If the average amount obtained is between 65% and 75% (exclusive) of the target amount, on average for the Selected Financial Years, 75% of the amount of the compensation will be payable to the Chairman and Chief Executive Officer. If the average amount obtained is less than 65% (exclusive) of the target amount, on average for the Selected Financial Years, no compensation will be payable to the Chairman and Chief Executive Officer. If the Chairman and Chief Executive Officer leaves before the end of the third financial year, compliance with the performance condition will be assessed over one or two financial years only, depending on the length of time he has been in office.

Unemployment insurance

The Chairman and Chief Executive Officer benefits from a CSG unemployment insurance plan that will pay unemployment benefits following loss of office for a maximum period of 24 months.

It is specified that the unemployment benefits provided for in the current contract are equal to 70% of the contractual income (capped at €17,140 per month), over a period of up to 24 months.

Renewal of the term of office of the Chairman and Chief Executive Officer or appointment of a new Chairman and Chief Executive Officer or Chief Executive Officer or Deputy Chief Executive Officer(s)

The compensation components and structure described above will also apply to the Chairman and Chief Executive Officer following his reappointment or to any new Chairman and Chief Executive Officer appointed during the application period of this compensation policy (on a prorated basis if relevant).

If a person were to be appointed as Chairman and Chief Executive Officer, he or she may be awarded a signing bonus, depending on the circumstances and potential candidates. In order to immediately align the new Chairman and Chief Executive Officer's interests with those of the Company and the shareholders, and subject to ongoing authorizations granted by the General Meeting, the signing bonus may be composed partly or entirely of long-term incentives subject to presence and performance conditions, such as shares allocated free of charge, stock options or any other incentives. The signing bonus may not, however, exceed the amount of the benefits lost by the candidate upon leaving his or her previous role.

The compensation policy for the Chairman and Chief Executive Officer applies whether the Chairman and Chief Executive Officer of the Company acts as Chairman and Chief Executive Officer or as Chief Executive Officer of the Company, should the Board of Directors decide to separate the roles of Chairman of the Board of Directors and Chief Executive Officer. In this case, the Chairman would receive compensation for his duties as director and Chairman of the Board of Directors of the Company, excluding any variable compensation. In addition, should the situation arise, the compensation policy applicable to one or more Deputy Chief Executive Officer(s) would be determined by the Board of Directors on the basis of the compensation policy applicable to the Chief Executive Officer of the Company, taking into account the level of responsibility and experience.
